Antique Tall Oak Chest of Drawers

This small chest of drawers packs a stylish punch with its serpentine front and cabriolet legs traditional of baroque styling. Made of solid oak, it will be perfect as a nighstand or serve as a side or accent table. The handles on the sides make it easier to transport and install the oak dresser, as the solid wood is quite heavy. This tall chest of drawers is part of our “un-restored” collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
