Early 20th Century Iron Base Work Table

The appeal of this old work table comes from the aged wood itself, worn and distressed through years of use adding to the character imbedded in the table. Notice the expected age-related separation of the planks of wood that comprise the top, in addition to cracks, stains and heavy gouges. The industrial iron base is solid, allowing this to function as a desk, console, work or craft table. This rustic work table has been restored so is strong, stable and ready for use.

** In light of current affairs and fluctuating fuel prices shipping quotes and timelines are estimates only. Buyer is required to notify us upon purchase if there are interior or exterior stairs, steps, or freight elevators necessary to complete delivery. Firm shipping costs will be provided upon confirmation of delivery information. **

Price: \$950.00Year/Circa: 1900-20Origin: HungaryColor: Brown
