White Oval Dining Table With Three Leaves, Sweden circa 1860-80

Decorative carving along the skirt and graceful lines are seen in the tapered legs of this incredible Swedish dining table, which extends to a remarkable length of just under 11 feet.

It is the newer, professionally applied white layered painted finish that captures the eye and adds a touch of romance as well.

There are three removable leaves at 23.5" deep each that allow flexibility to expand the table to seat more guests.

Photos are included to view with and without the leaves inserted. Please examine photos to appreciate the white painted finish which is slightly distressed to fit the age of the table. It is rare to find a dining table of this size which is refinished and ready to be used and enjoyed.

Length Closed/No Leaves: 59.25"

Length Open w/1 leaf: 82.75

Length Open w/2 leaves: 106.25

Full length with 3 leaves: 130"
