Swedish Gustavian Small White Sideboard or Console, circa 1840-60

Gustavian white painted pine sideboard or console with one interior shelf (see photos to understand cut-out shape of shelf). Traditional fluted panel doors, Greek key or "meander" decorative carving along top, raised on tapered fluted feet.

The newer, professionally applied white painted finish is lightly distressed to fit the age and grace of this Swedish cabinet. Brass pulls on upper three drawers, knobs on lower three cabinet doors.

Restored, strong and stable. Any nicks, scratches, signs of wear are reflective of generations of use and do not impact function.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
