Original Red Painted Side Table With Drawer, Sweden dated 1856

This delightful pine side table comes from the Swedish countryside and still maintains the original faux wood painted finish in brick red.

The single drawer has monogram of K.O.D. and date of 1856 which indicate it may have served as a wedding present.

Floor to drawer height: 21.75"

Restored, this side table is strong, stable and ready for use.

Any scratches, cracks, nicks, stains (see top) or age related separation are reflective of age and do not detract from the beauty nor function of this special Swedish table. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
