Farm Dining Kitchen Table With Trestle Base, Denmark circa 1820-40

This old farm table is loaded with aged patina and warmth that come from generations of use.

As seen in photos, the rich brown has touches of red around the side legs /stretchers.

Restored, strong and stable, this 7' table is ready to be used and enjoyed.

The nicks, cracks, distress, stains and age related separation of wood(see top and sides) simply add to the authentic vintage charm of this original trestle base dining or kitchen table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
