Black Painted Pine Writing Desk, Sweden 1900's

Antique pine Swedish writing table or desk on carved cabriolet legs with three drawers that compose the stylish serpentine front. The drawers all function and open with one included key to use for the old locks. Central drawer interior is divided in half. Restored, later professional custom black finish lightly distressed/rubbed out to fit the age and grace of this lovely desk revealing natural wood and red tones below. Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this attractive desk. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
