## Tall Narrow Rococo Blue Chest of Six Drawers, Sweden circa 1890

A tall narrow rococo chest of six drawers with brass pulls and key escutcheons. The scalloped edge is carried down through the 6 drawer fronts and bottom apron resulting in an elegant chest all resting on four cabriole legs.

Restored and drawers function. Later professionally painted in layered shades of soft blue with white undertones all lightly distressed to fit the age and grace of this lovely tall chest.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this tall chest of drawers that may serve as a graceful lingerie or large jewelry chest. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
