Rustic Farm Dining or Kitchen Table, Sweden circa 1800's

This farmhouse dining or kitchen table has European country charm thanks to the traditional X-stretcher base.

The natural pine has been distressed through generations of use, adding a weathered depth to the character of the table. The many scratches, dings, gouges, cracks, stains and age related separation of the planks simply add to the authentic vintage appeal.

This farm table has been restored so it is strong, stable and ready for use.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
