Pine Nightstand Small Cabinet, circa 1880

Antique pine nightstand or small cabinet resting on simple block feet. Note the natural wax finish that brings out the warmth of the pine. Storage is in the lower section only. The upper section (no storage access) raises it to 34.5" tall.

Restored, this nightstand is strong, stable and ready for use.

Any nicks, scratches, cracks, dried up old worm holes or signs of wear reflect the generations of use and do not impact the function of this pine nightstand.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
