Antique Grain Lift Rustic Display Table, Denmark circa 1900

Old vintage grain lift has been restored and waxed, bringing out the rich deep patina of the wood.

As seen in photos, this can be raised and lowered creating unique display options. Original ropes and metal support rods in place.

Restored, strong and stable. All scratches, cracks, dings, or age related separation are reflective of age and do not detract from this versatile accent piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
