Pair, Mid Century Folding Brown Leather Chairs, Denmark circa 1960

Pair of Mid Century Modern brown leather folding chairs from Denmark.

Simple brown leather seat and back on hard wood frame create a timeless look with simple clean lines.

Sold in vintage used condition, leather shows typical age-related wear with scratches, crackling, stains/discoloration, wear/distress, etc. Frames are solid/stable; show minor scratches, scuffs, etc. Leather is dry and will benefit from conditioner /cleaner. One seat/chair shows more wear than the other.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.

Chairs Seat Height: 16.5"
