Large Gray Painted Commode, Italy circa 1800

It is the gentle curves that capture one's attention in this lovely large pine chest of two drawers from Italy.

The newer, professionally applied light dove gray painted and distressed finish has a soft, pale blue undertone which fits the age and grace of this striking chest.

The unique size of 4.25' long make this large chest a special find.

Two brass pull/handles on each drawer.

Restored, this Italian chest of drawers is ready to be used and enjoyed.

All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this chest.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
