Blue Painted Swedish Sideboard Cabinet, Circa 1860-80

Gustavian pine sideboard or buffet with traditional decorative diamond panels on cabinet doors and sides. Cantled fluted sides.

The newer, professionally applied layered blue painted finish is slightly distressed, fitting the age and grace of this lovely buffet. Top painted with traditional faux marble top. Tapered fluted feet, brass pulls on the two upper drawers, lock functions with one key included.

Note photos revealing the interior with unique shelf and drawer combination. Restored, strong and stable. All nicks, scratches, age-related separation, signs of wear are reflective of generations of use and do not impact function of this Swedish cabinet.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
