Pair, White Swedish Gustavian Sideboard Cabinets, circa 1880

Pair, Swedish country pine cabinets or small sideboards with canted fluted sides, dentil molding and carved diamond motif on doors.

The newer, professionally applied antique white custom painted finish is perfectly distressed to fit the age and grace of this lovely pair of Gustavian chests. Note the contrasting brick red interior.

Cabinets rest on tapered fluted feet. Interior of each has different shelving configurations.

Restored and ready for use, two keys included.

All nicks, scratches, cracks, distress etc. is reflective of age and use and does not detract from the function nor elegant appeal of this striking pair of chests which may also serve as nightstands.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
