19th Century Swedish Blue Pedestal Side Table

Small pine side table with decorative skirt and pedestal base.

Restored, later professionally painted in layered shades of blue with white undertones, all lightly distressed to fit the age and grace of this lovely table. Top has contrasting white painted finish.

Restored, stable and ready for use. All scratches, cracks (visible along top), dings, stains, and age related separation (at seams and corners) are reflective of age and do not detract from the beauty nor function of this delightful side table.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed.
