Set of 6 Antique 19th Century English Mahogany Dining Chairs, circa 1850

This set of 6 antique English dining chairs are made from solid mahogany and come with upholstered seats. The choice of wood, expensive for the period, and the carved back rail, splat and turned legs make this set rather unique. The cast iron casters are original as well. This set is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
