Antique Hand Carved Single Door Oak Cabinet

The hand carving in this oak cabinet is excellent, a reflection of an earlier time when professional craftsmanship was respected and valued. Notice the beautifully turned barley twist side columns in addition to the beautiful door panel in high relief. The Danish oak has a dark, rich patina and shows off the grain of the handsome wood. This striking cabinet is being sold in as is, original used condition.

- Price: $1,685.00
