Antique Swedish Birch Biedermeier Sofa

The remarkable birch is dramatic in this classic Biedermeier sofa from Sweden. The birch itself creates such an intense visual, that is complimented by the simple lines of the sofa itself. Notice the two "cabinets" on each side that open for unique storage; their feet are painted black for contrast. The seat is easy to re-upholster with a more contemporary fabric. This item is being sold in as is, original used condition. We invite you to contact us with any questions regarding this or other pieces, and hope to assist you further.
