Antique Swedish Biedermeier Chest of Drawers from Sweden

The evocative burlled birch is captivating in this remarkable Biedermeier chest of drawers. Please enlarge photos to appreciate the finish, barley twist columns, and beaded detail of the bottom drawer. Unique to this chest is the upper section which resembles a drawer but is actually hinged to drop down and open into a small secretary desk with 8" deep writing surface and 5 small interior drawers. Restored, this item is strong, stable and ready to be placed and enjoyed. Any old cracks, fading, marks (see photo of top) are age-related and do not detract from the function nor beauty of this chest of drawers. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
