## Antique Danish Oak Chest of Drawers with Serpentine Front

This impressive chest of drawers is made of solid oak and dates back to circa 1750. Well crafted, it has endured the test of time and brings a touch of class with the gracious serpentine front and cabriolet legs with carved ball and claw feet.

This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
