Vintage Oil Painting of 3 Girls Stringing Flowers, Francis Patrick Martin

This beautifully balanced antique oil painting is calm and serene yet bright with three young girls and distant views of a lake fields beyond. Two girls watch as a third concentrates on making a string of flowers in a lush canopy of trees and bushes. The canvas is mounted in a gilt wood frame and signed in the lower right Franc P Martin - the English artist Francis Patrick Martin (1883 - 1966). Please take a moment to enlarge the photos and examine the details up close.
