19th Century Original Blue and Red Painted Pine Large Flat Top Trunk

The colorful paint is all original on this large flat top pine trunk. Red, blue, yellow and white all combine in traditional Eastern European folk art style. Exceptional detail is seen in the floral panels, festive skirt, vibrant borders and more.

Restored and stable, this large pine trunk is ready to be used and enjoyed. No lock nor key.

While restored, there is visible distress seen throughout, including scratches, cracks, dings, and age related separation (top and interior bottom) which are all reflective of age and do not detract from the beauty nor function of this lovely blanket chest. Signs of old, dried wormholes (no longer active). Back was painted at some later point in time.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
