DUPLICATE NUMBER 19th Century Long French Oak Dining Table

19th-century French oak dining table with substantial thick top and trestle base. Just under 10 feet long with substantial heavy legs and stretcher. A timeless French country table that brings rustic authenticity and warmth to any setting.

The many generations of use are seen in old repairs, multiple cracks, plank separations, stains, and visible age-related wear. Top almost has a live-edge feel to the center of one side that presents a darker color. Refer to all photos of top in particular.

Restored, strong, and stable; cracks do not affect use.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
