Pair of Vintage Brown Leather Club Chairs from Portugal

Pair of brown leather club chairs from Portugal. Upholstered in vintage brown leather, the chairs feature tufted button backs, rolled arms with nail head trim, and a unique slightly concave shaping to the front. They are raised on front bun feet with block feet at the back. The vintage leather shows typical signs of age and use, including crackling, stains, creasing, impressions along the backs, separation at the upper right seam of one chair and one separation in back/body (seen in photos), and a scuff at the bottom left. One or more buttons are slightly loose but remain attached. Both chairs will likely benefit from a leather cleaner and conditioner, which we leave to the discretion of the buyer. Sold in original vintage condition.
