Mid 20th Century Vintage Brown Leather Three Seat Chesterfield Sofa

Mid 20th century vintage brown leather three seat Chesterfield sofa. Upholstered in brown vintage leather, the sofa features rolled arms, nail head trim along the front and arms, and a tufted button back with camelback arches along the high back. It sits low and includes three removable seat cushions. The aged leather is a defining feature, showing varying depths of brown and faded brown across the seat covers that add to its vintage character. Please note stains, scuffs, and distress throughout from years of use, including a tear under the far right cushion revealing foam below, abrasion under the far left cushion, and additional scuffs, scratches, and abrasions throughout, including along the bottom edging and back. Rich in vintage character, this sofa is sold in original used condition. Seat height is 17 inches.
