Early 20th Century Rustic Console Table Workbenh

The worn patina of this authentic carpenter's workbench is a reflection of its age and years of use. Every ding, scratch, gouge, paint spill and stain enrich the character and appeal of this old work table. Please examine the close up photos to appreciate the patina, joints and old hardware including one vice.

Narrow workbenches such as this are often used as a console or sofa table in today's home.

This rustic carpenter's workbench has been restored and waxed; it is strong, stable and ready to be placed and enjoyed.

All scratches, cracks, dings, and age related separation are reflective of age and do not detract from the appeal nor function of this console table.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over fifteen thousand square feet of inventory to choose from.
