19th Century Swedish White Painted Pine Side Table

19th century Swedish side table, crafted in pine with a newer layered antique white painted finish. The table is raised on slender tapered legs, each topped by a simple floral carved motif, giving the piece a light and refined Gustavian look. The painted finish is lightly distressed, revealing natural wood below and complementing the age of the table. Restored, stable and ready to use. Nicks, scratches, and minor cracks reflect generations of use and do not impact function. Floor to skirt height is 24 1/4 inches, allowing this piece to also serve well as a small writing table.
