## Late 19th Century Swedish Oak Carved Armchair with Vintage Leather

Late 19th century Swedish carved armchair, crafted in dark oak and upholstered in vintage leather. Decorative rococo carving accents the crest rail and skirt, while a beautiful stretcher base and curved front legs ending in lion paw feet give the chair strong character and presence. Frame is restored, stable and ready to use. The vintage leather shows old stains, small tears at the corners, discoloration, scuffs, and other wear consistent with age and use, all of which add to the vintage appeal of this handsome armchair.
