20th Century Long Bleached Oak Sideboard Buffet from Belgium

20th century long sideboard buffet from Belgium, crafted in bleached oak. The case features three drawers over four cabinet doors, with the two flanking ends slightly set back for added depth and shape.

Decorative carved paneling accents each of the drawers and doors, while the inset side detailing adds further interest to the form. The bleached oak reveals beautiful grain and natural pattern throughout the wood. Keys and locks function, though the lower cabinet door locks are a bit stiff. The drawer locks do not function, and the keys are to be used as pulls only. Restored, strong, stable, and ready for use. Minor cracks, scratches, and nicks are present but do not impact the beauty or function of this 7.5' long buffet.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
