Pair of French Brown Leather Chesterfield Two Seat Loveseat Sofas

Pair of French Chesterfield two seat loveseat sofas upholstered in vintage brown leather. This handsome pair features classic button tufting along the rolled arms and backs, with nail head trim completing the traditional look. The leather shows varying shades of brown, russet, and golden tones throughout, creating rich depth and patina across both sofas. Each loveseat has two removable seat cushions, and the smaller scale makes this pair especially well suited for flanking a coffee table or working in a variety of seating arrangements. The leather shows typical vintage distress, including staining, crackling, impressions, and compression to the seats. Additional wear includes rubbed and scuffed trim along the seat cushion edges, a small tear along the back left arm of one sofa, and more noticeable scuffing at the bottom right corner of the other. Sold in original vintage condition. A warm and inviting pair with classic Chesterfield appeal and wonderful aged leather character. Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed.
