## 20th Century Swedish White Tabouret Pair of Stools

This lovely pair of pine Swedish stools or tabourets have curved, cabriolet legs with gently turned support stretchers which add an elegant touch to the pair.

Restored, solid/stable and ready to be enjoyed. Later professionally painted in soft shades of white, all lightly distressed and scraped to fit the age and grace leaving a warm patina to this pair of stools. Seats in simple old muslin fabric, now stained, torn, and held in place with small exposed tacks. Ready to be upholstered at the discretion of buyer.

All scratches, cracks, dings, and age related separation are reflective of age and do not detract from the beauty nor function of this charming pair.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
