Late 19th Century Swedish Black Gustavian Sideboard Buffet

Swedish Gustavian black painted pine sideboard or console with upper carved dentil molding and three upper drawers over two large cabinet doors. Traditional diamonds accent the three drawers with brass pulls. The two cabinet doors have carved panel detail accented with floral medallions. Canted fluted sides and entire case is raised on tapered, fluted feet.

The old keys and locks function stiffly and inconsistently, we suggest buyer opt to use keys as pulls only.

The newer, professionally applied and layered antique black painted finish is lightly distressed revealing the warm wood below while fitting the age and grace of this Swedish buffet.

Restored, strong and stable. All nicks, scratches (right side), cracks(top/sides), aged separation of wood, signs of wear are reflective of generations of use and do not impact function.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
