Pair, Early 20th Century Swedish White Gustavian Tabouret Stools

This lovely pair of Swedish pine stools or tabourets have gently curved, saber legs which add an elegant touch to the pair. The soft patina of the newer white painted finish adds to their allure, which is lightly distressed revealing layers and some of the natural wood below.

Simple muslin fabric on the seats is stapled in order to hold the batting in place. If buyer does not want this de-constructed look, the pair are ready to be upholstered.

These stools are restored, solid, stable and ready to be enjoyed. All scratches, cracks, dings, and age-related separation are commensurate with age and do not detract from the beauty nor function of this lovely pair.

Seat height: 18.5"
