## 19th Century Swedish Blue Short Corner Cabinet Cupboard

Low corner cabinet from Sweden with a (newer) blue painted finish softly scraped to reveal the natural pine below resulting in attractive, warm patina.

Traditional carved fluted diamond motif on panel doors, canted sides and simple carved skirt.

Restored, this lovely cabinet is ready to use and enjoy with interior shelving. An exterior simple wood latch holds the right door in place.

All scratches, cracks, dings, and age-related separation are reflective of generations of use and do not detract from the beauty nor function of this delightful corner cabinet.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
