19th Century Swedish Gustavian Pair of Gray Tabouret Stools

This lovely pair of Swedish stools or tabourets have gently curved, saber legs which follow the lines of the arms, adding an elegant touch to the pair.

The warm patina of the later pale gray paint has been softly distressed, revealing some of the natural wood below (resulting in a slight plum undertone).

Upholstered in light colored linen which can easily be reupholstered at discretion of buyer.

This pair is restored, solid, stable and ready to be enjoyed. All scratches, cracks, dings, and age related separation are commensurate with age and do not detract from the beauty nor function of these lovely stools.

Seat height: 17.5"
