## 20th Century French Oak Coffee Table with Drawer

20th century French coffee table, crafted in oak. The table features a carved scalloped skirt, one drawer with an iron pull, and turned legs joined by a stretcher base, giving it a classic and useful form. The aged oak shows lots of character, with varying tones throughout the wood that add warmth and depth. Old cracks, gnarls, gouges, and stains are seen along the top and skirt, all contributing to the rustic appeal of the piece. Restored strong, stable, and ready to use. A handsome coffee table loaded with character.
