## Pair, 20th Century White Swedish Gustavian Style Tabouret Stools

This lovely set of Swedish stools or tabourets have graceful, slightly curved legs which add an elegant touch to the pair. The turned hand rests provide stability as well as balanced beauty. The aged patina of the later antique white paint has been rubbed and distressed down to the natural wood, adding depth of character. The simple muslin fabric is stapled to simply hold batting in place, creating a deconstructed look. These stools are ready for modern upholstery at the discretion of the buyer. This pair is restored, solid, stable and ready to be enjoyed. All scratches, cracks, dings, and age-related separation are commensurate with age and do not detract from the beauty nor function of these lovely stools.
