## G done

Gustavian demi-lune pine side table or console with gently tapered fluted legs and decorative applied carving along skirt. Newer professionally applied layered antique white painted finish with contrasting black top, slightly distressed to fit age and grace of this table.

Restored, strong and stable. All nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this side table. Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
