The soft patina of the brown vintage leather captures your attention in this wonderful Chesterfield loveseat or two seat sofa. It has the traditional tufted buttoned back and rolled arms that create the drama one expects from this style.

The leather shows age related wear including scuff marks, impressions/creases, abrasions, stains, and crackling which are typical in vintage leather. The wood bun feet and frame show typical nicks and wear from use as well.

Seat Height: 18" Correct

Sold in vintage used condition; solid and stable, sits comfortably. This Chesterfield loveseat is ready to place and use.
