Pair of Vintage Brown Leather Club Chairs from Denmark

Pair of vintage brown leather club or tub chairs from Denmark. Upholstered in dark vintage brown leather, the chairs feature tufted button backs and arms with self piping, creating a classic and inviting form. They are raised on hardwood feet and have a warm, worn look that reflects years of use. The leather shows significant distress throughout, including large tears to the seats, front skirts, and side arms, along with scratches, scuffs, additional tears, and exposed scuffed piping at the sides. Cracks and scuffing are also visible along the backs, and some discoloration creates varied depth in the brown tones. Sold in used vintage condition.
