Pair of Mid Century Modern Danish Club Chairs

Pair of mid century modern Danish club chairs. The chairs feature dramatic curved arms and fronts, with bentwood framing the arms to create a handsome contrast against the vintage leather upholstery. Nail head trim adds further character to the form. The upper backs are upholstered in vintage brown leather, while the fixed seats are covered in long black faux fur, giving the pair a distinctive and unusual look. Please note the seat is not removable. Condition includes some scrapes, minor stains and scuffs to the leather consistent with age and use. The nail head trim is pulling away slightly from one of the backs, and one nail head is missing at a back arm corner. The back of one arm at the wood trim has an unfinished appearance. Scuffs and nicks to feet as well. Overall, the chairs remain in great vintage condition with wonderful lines and strong decorative appeal.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed.
