Pair of 20th Century English Chesterfield Club Chairs

Pair of 20th century English Chesterfield club chairs upholstered in vintage brown leather. Traditional button tufted backs, rolled arms, and nail head trim along the arms and base give this pair a classic Chesterfield look. The chairs have a large square club chair form that adds strong presence and comfortable scale. The vintage leather shows typical age related cracks and distress throughout, all contributing to the worn character and vintage appeal of the pair. Additional scratches, scuffs, stains/discoloration and minor impressions are visible from years of use. Scuffs and nicks to wood feet as well. Tremendous Chesterfield character and a wonderful warm patina throughout the leather make this a handsome and inviting pair.
