1 chair broken

This wonderful set of twelve dining chairs is a special find. While likely from a Swedish country home, these speak to a more upscale household with a touch of elegance due to the extra carved details and the shapely curves of the back and cabriolet legs all reflective of graceful living. The 12 side chairs have been painted antique white accentuating the lovely lines of the Rococo style.

Restored, strong and stable. Later professionally painted with layers of white, lightly distressed to compliment the age and style of the chairs.

Simple new linen fabric cover the removeable seats (easy to re-upholster).

All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this attractive large set of dining chairs.

Please refer to professional photos for clear understanding of color, condition and details of this beautiful set; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
