19th Century French Bleached Oak Sideboard Buffet

This French sideboard is crafted in oak and offers a traditional French country look in an impressive scale measuring just under 8 feet long. The bleached finish creates variation in coloring, with an overall lighter presence for today's modern home. The front is detailed with four attractive paneled cabinet doors, with two small upper drawers set atop the central smaller cabinet doors adding function and visual interest. Carved flourishes along the corners and more, while a scalloped skirt adds further decorative character. The 4 cabinet door locks function, and 3 keys are included. The small drawers provide a fun and useful accent to the overall form (keys used as pull only). Restored, strong/stable and ready for use. Typical age related scratches, scuffs, and minor cracks and separation are present throughout. A handsome buffet with strong presence, generous storage, and classic French detailing.
