Early 20th Century Set of 10 Swedish Gray Dining Chairs

There is an understated elegance to this set of ten antique Swedish pine dining chairs in the graceful Rococo style. The gently curved backs, carved upper crown and skirt, all resting on extended cabriole legs and H-stretcher add to their timeless appeal. The seats have newer, natural colored linen upholstery so are ready to use or easily re-upholster at discretion of buyer.

Restored, stable and ready for use. Later professionally painted in layered shades of gray with antique white undertone, all lightly distressed to fit the age and grace of this lovely set of 10 Swedish side chairs.

Seat height: 19.5"

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
