Original Swedish Dome Top Hand Painted Blue Pine Trunk Dated 1826

Original blue painted dome top pine trunk from Sweden with traditional hand-painted details include floral motif along top and front. Beautiful aged patina due to wear over generations of use.

Monogram and date "1826" indicate this trunk may have been crafted to give as a dowry or wedding present.

Wrought iron hinges and large side handles; original key for lock is used used to open.

Restored and waxed, this heavy trunk is ready to be placed and enjoyed.

Signs of wear typical for age include nicks, scratches, cracks, multiple age related separation of wood (top, bottom), etc. This wear does not impact the strength nor functional integrity of the trunk which is ready for use.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
