

side table - plug in added - missing info

This antique oval pine side table is charming with its softly rounded edges, turned pedestal base and decoratively carved tripod legs which were a traditional style in Sweden.

There is a gentle appeal to the balance of lines between the oval top, pedestal base and the natural wood with its warm patina. This type of table was often used during afternoon "tea time" in Sweden.

Restored, this table is stable, ready for use and has a wax finish.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this accent table.
