Early 20th Century Pine Chest of Three Drawers, Romania

Antique pine chest of three drawers resting on carved skirt and feet.

Traditional half-column details, dove-tail joints and brass pulls.

Note the natural wax finish that brings out the warmth of the pine.

Restored, this dresser or blanket chest is strong, stable and ready for use. Drawers function.

All nicks (some have been filled in, as seen in photos), scratches, cracks, stains (see top right), aged separation or signs of wear reflect the generations of use and do not impact function.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
