chairs

Pair of early 20th-century vintage leather club chairs with nailhead trim and hardwood cabriole feet. The brown leather shows beautiful signs of long use—crackling, scuffs, stains throughout, and softened areas that speak to age and comfort. Some lightening from sun exposure and darker patina along armrests where hands rested.

These smaller-scale chairs sit low and snug, embodying the inviting warmth of classic European club seating.

Restored, stable, and ready for use. Seat cushions are covered in vintage damask fabric showing wear from years of use.

Buyer may opt to have seats re-upholstered.
